**Pueblo, COLO.** -The Pueblo Bulls are excited to announce 2001-born Bulls Defenseman, Alan Yu, has committed to play for NCAA DIV III Rivier University. Alan is the second Bulls Alumni to commit to play for Rivier University (Milan Breczko 2019-2021).

The Baldwin Park, California native was a late but terrific addition to the Bulls blueline. Yu played a terrific 2-way game, showing off great skating ability and bringing high end hockey sense and steady defensive play.

“Alan was a huge piece for us to add at the end of the season,” said Bulls Head Coach Chris Wilhite. “He played the game the right

way and was someone that we continually leaned on in every situation at the most important time of the season. He came in and was immediately one of the guys and didn’t miss a beat on the ice either.”

“Taking the opportunity mid-season to come and play for the Pueblo Bulls was one of the best decisions I made in my hockey career. The billets, players, and coaches quickly made me feel like I was a part of the team.” said Yu, “The structure and culture of the team made me the best hockey player I could be. Giving me the opportunity to advance to the next level. I owe a lot to the Pueblo Bulls for where I am today. Even though I was with the organization for a short time the players and coaches made me a better teammate, hockey player, and person. The only thing I would change is starting my season with the bulls from the beginning.”

“We couldn’t be happier for Alan to continue his hockey career at, Rivier University. He was a terrific kid for us to coach and a great person off the ice. We look forward to watching Alan team up with Milan Breczko at Rivier and be a big part of their team and University moving forward!” added Wilhite.

The Pueblo Bulls are a JR 'A' U20 hockey team that plays out of Pueblo, Colorado. The Bulls have been in existence since 2019 and are members of the USPHL Premier. In just their second season the Bulls were able to hit the 30-win mark and made it to the Mountain Conference Championship.
