

Pueblo, COLO. -The Pueblo Bulls are excited to announce 2001-born Bulls Captain and all-time leading scorer, Benjamin St-Onge, has signed with the Binghamton Black Bears of the Federal Prospect Hockey League with the opportunity to move onto the SPHL (Southern Professional Hockey League) or ECHL (East Coast Hockey League).

St-Onge was acquired via trade, in the Bulls inaugural season, in which may go down as the greatest trade in Bulls history. St-Onge was an immediate impact for the Bulls surpassing the 100-point mark in his rookie season. In his three seasons with the Bulls, St-Onge finished as the Bulls All-Time leader in games played (114), goals (84), assists (103) and points (187). In total St-Onge amassed an incredible 112 goals, 143 assists and 255 points in just 151 games played.

“It is hard to put into words what Ben has meant to the Pueblo Bulls organization and the city of Pueblo,” said Bulls Head Coach Chris Wilhite. “Ben has helped shape and grow our program to incredible heights because of who he is as a human being as well as a hockey player. He has become a staple in our community and a superstar to not only the young hockey players in Pueblo but Pueblo Bulls fans as a whole. Players like Ben don’t come around often, and we could not ask for a better person to come in and do what he did.”

“Nothing could ever represent how good the Pueblo Bulls organization was for me. I have been very lucky, and it has been a privilege to be a part of this team for three years. Everybody surrounding the bulls are great people.”, said St-Onge. “Starting with the owners, they do everything possible in their way to give you a chance to be comfortable where you are and want to make you feel at home in pueblo, they truly are awesome people that want you to succeed and see you play at higher levels. The coaching staff is truly amazing, they’ve been helping many other players and myself to get better on and off the ice, go to the next level, get opportunities and being there for you all the time when you need them. The Bulls are a winning and hardworking organization who will give you the opportunity you need and who will give you the chance to get better every single day. The billets are such great family’s, they will welcome you and treat you as if you were their own child, especially myself I have been lucky enough to

create a special bond with my billet family that will follow me for the rest of my life. The community in Pueblo is the best by far from any city that has a junior team. What could we say about the fan base, the Bulls have the best fanbase, the rink is full every night, they are being as loud as possible, and they love their team. I have played for the bulls for three years and I will never forget what an atmosphere it was in this rink my whole life. A big thank you to the sponsors, they make this organization even better and help us a lot during the season. I couldn't be thankful enough for the city of Pueblo, it's been a great experience and one I will never forget. Pueblo really has been awesome for me and if I could start again I would. I will always know that Pueblo is home for me."

"We know the future is extremely bright for him and can't wait to see where it takes him. We cannot thank Ben enough for what he has done for our program and meant to our community! Ben will always have a home here in, Pueblo." added Wilhite.
