

Pueblo, COLO. - The Pueblo Bulls are excited to announce 2004-born Bulls Forward, Eddie Paulissian has committed to play for top end NCAA DIV III program, Aurora University Spartans.

The Northbrook, Illinois native was a consistent producer for the Bulls this past season putting up 18 goals (3rd on Bulls), 33 assists (3rd on Bulls) and 51 points (4th on Bulls) in 52 games.

“Eddie was a pleasure to coach last season,” said Bulls Head Coach Chris Wilhite. “He was someone that came in an immediately bought into our program, culture and city. Eddie was one of our most consistent players each day. He is an unbelievable kid that we relied on in the locker room to be a leader and to perform on the ice. We couldn’t be happier for Eddie and his choice to play at one of the premier NCAA DIV III programs in the United States.”

“I’m thankful for the great opportunity that was presented to me in Pueblo. Without the support of my teammates, coaches, staff, billets, and all the fans, I wouldn’t be where I am today. The opportunity I was given to succeed in Pueblo is second to none.” said Paulissian, “Pueblo will always hold a special place in my heart, and in my humble opinion, Pueblo is the best place to play junior hockey. I can’t wait to start my academic and athletic career at Aurora University. Thank you, Pueblo, for making this all possible!”

“We are so thankful for Eddie and his commitment not only to the Bulls, but the City of Pueblo as well. We are very excited to continue to follow Eddie at the next level and beyond. Aurora is getting a very talented hockey player but a terrific young man that will hold himself and others to the highest standard on the ice and in the classroom.” added Wilhite.
