Pueblo, COLO. -The Pueblo Bulls are excited to announce 2001-born Bulls Forward, Brendan Dicker, has committed to play Arcadia University NCAA DIV III.

The Clarkston, Michigan native was a dominating force in the 2021-22 season with the Bulls. Dicker had a tremendous ability to take over games using his size and speed to create offense and be a lock down centerman in the defensive zone. Dicker showed why he was one of the top forwards in the league finishing second on the Bulls in goals (19), assists (32) and points (51).

“Brendan was a huge addition to our program this season,” said Bulls Assistant Coach David Nelson. “He was a leader in the locker room immediately and a great talent on the ice. Brendan had a switch where he could just absolutely take over games and dominate. He was someone that we leaned on heavily in every situation during games. He was a terrific person in the community as well and someone that always offered to help in any way that he could.”

“I am so thankful that my hockey journey brought me to Pueblo for my last year of juniors. Without a doubt, the Pueblo Bulls rival any junior hockey organization in North America.” said Dicker, “The coaches strive to build a winning team and develop players with the goal to create the best opportunities to move you to the next level. Equally important to a passionate organization is the unwavering support from our amazing billet families and enthusiastic fans. Nothing is better than playing the game you love in front of the best fans in junior hockey. The Pueblo Bulls will always have a special place in my heart and I am forever grateful for the opportunity they gave me.”

“We’re looking forward to seeing Brendan dominate at the Division III level at Arcadia. We know he is going to do some great things there. We thank him for everything he has done for our community and the Pueblo Bulls organization!” added Nelson.
